

Concert Associations Reciprocity List for 2017-2018

One of the distinct "added-value" features of Community Concerts is a privilege called reciprocity. This means that as a subscriber to Hemet Community Concert Association, you may attend the concerts of other participating associations at no extra charge. Our reciprocity network has 16 other associations, whose concerts you may enjoy by presenting your subscription/membership card.

Offering reciprocity is a courtesy extended by each association and is based on ability to seat visitors. If seating is available, visitors may be asked to present a current subscription/ membership card and wait until five minutes before curtain time so local subscribers may be seated first. **Please contact the association to confirm details, and for venue location and directions.**
